- ii. You are not eligible to receive forked currencies split from any blockchain assets in your Collateral Account, even if you have not engaged in any Margins Trading or borrowing at all.
- iii. Loans carry risk, and the value of your blockchain assets may decline. If the value of your assets drops to a certain level, you are responsible for dealing with these market circumstances.
- iv. In some market situations, you may find it difficult or impossible to liquidate a position. This may occur, for example, as a result of insufficient market liquidity or technical issues on Binance.

b. To start Margins Trading:

- iv. You agree to keep enough Digital Assets in your Collateral Account, as required by Binance for Users' engagement in Margins Trading, and promptly repay your loan in full. Failure to keep enough assets or to timely repay the outstanding loan may result in forced liquidation of the assets in your Collateral Account;
- v. Even if with the ability to forcefully liquidate any position, Binance cannot guarantee to stop losses. If your assets are insufficient to repay the outstanding loan after the liquidation of your position, you are still liable for any further shortfall of assets;
- vi. Binance may take measures, in its discretion and on your behalf, to reduce your potential losses, including but not limited to, transferring assets from your Collateral Account in to your Binance Account and/or vice versa;
- vii. During Binance system maintenance, you agree to be fully responsible for managing your Collateral Account under risks, including but not limited to, closing positions and repaying your loan.
- viii. You agree to conduct all Transactions, Margins Trading and/or borrowing on your own, and be fully responsible for your activities. 1. Suspension of Binance Accounts

You agree that Binance shall have the right to immediately suspend your Binance Account (and any accounts beneficially owned by related entities or affiliates), freeze or lock the Digital Assets or funds in all such accounts, and suspend your access to Binance for any reason including if Binance suspects any such accounts to be in violation of these Terms, our Privacy Policy, or any applicable laws and regulations. You agree that Binance shall not be liable to you for any permanent or temporary modification of your Binance Account, or suspension or termination of your access to all or any portion of Binance Services. Binance shall reserve the right to keep and use the transaction data or other information related to such Binance Accounts. The above account controls may also be applied in the following cases:

<https://www.binance.com/en/terms>

4. We are required to do so by a court order or command by a regulatory/government authority.

2. Cancellation of Binance Accounts

In case of any of the following events, Binance shall have the right to directly terminate these Terms by cancelling your Binance Account, and shall enjoy the right but not the obligation to permanently freeze (cancel) the authorizations of your Binance Account on Binance and withdraw the corresponding Binance Account thereof:

1. after Binance terminates services to you;
2. you allegedly register or register in any other person's name as a Binance User again, directly or indirectly;
3. the information that you have provided is untruthful, inaccurate, outdated or incomplete;
4. when these Terms are amended, you state your unwillingness to accept the amended Terms by applying for cancellation of your Binance Account or by other means;
5. you request that Binance Services be terminated; and
6. any other circumstances where Binance deems it should terminate Binance Services.

Should your Binance Account be terminated, the account and transactional information that meet data retention standards will be securely stored for 5 years. In addition, if a transaction is unfinished during the account termination process, Binance shall have the right to notify your counterparty of the situation at that time. You acknowledge that a user-initiated account exit (right to erasure under GDPR or other equivalent regulations) will also be subjected to the termination protocol stated above.

If Binance is informed that any Digital Assets or funds held in your Binance Account are stolen or otherwise are not lawfully possessed by you, Binance may, but has no obligation to, place an administrative hold on the affected funds and your Binance Account. If Binance does lay down an administrative hold on some or all of your funds or Binance Account, Binance may continue such hold until such time as the dispute has been resolved and evidence of the resolution acceptable to Binance has been provided to Binance in a form acceptable to Binance. Binance will not involve itself in any such dispute or the resolution of the dispute. You agree that Binance will have no liability or responsibility for any such hold, or for your inability to withdraw Digital Assets or funds or execute trades during the period of any such hold.

3. Remaining Funds After Binance Account Termination

Except as set forth in paragraph 4 below, once a Binance Account is closed/withdrawn, all remaining account balance (which includes charges and liabilities owed to Binance) will be payable immediately to Binance. 5. Dormant Accounts

Notwithstanding any provision of this Section VI, Binance may provide a written notice requiring you to close all of your open positions and withdraw all of your Digital Assets from your Binance Account within 30 days of the notice. - (d) transfer such dormant account (including any Digital Assets contained therein) to an affiliate of the Binance Operators, any third-party custodian or an isolated wallet where it is deemed reasonably necessary by Binance to do so. In the event that such transfer has taken place, you have the right to retrieve your digital assets from subject to satisfying Binance's verification requirements, including completing KYC;
- (e) charge a dormant account fee to cover the cost of maintaining the assets by the Binance Operators, its affiliates or any third-party and such fee shall be withdrawn directly from the dormant account on a monthly basis; and
- (f) close a dormant account at any time, and Binance will not be liable for any loss, damage or expense incurred by you as a result of the closure of a dormant account unless there was fraud or willful default by Binance. Any assets in these dormant accounts will be transferred in accordance to paragraph 5(d) above. After a dormant account is closed, it cannot be reactivated by you (i.e. you will need to register a new Binance account if you wish to continue to use Binance Services).

VII. No Financial Advice

Binance is not your broker, intermediary, agent, or advisor and has no fiduciary relationship or obligation to you in connection with any trades or other decisions or activities effected by you using Binance Services. No communication or information provided to you by Binance is intended as, or shall be considered or construed as, investment advice, financial advice, trading advice, or any other sort of advice. <https://www.binance.com/en/terms>

whether any investment, investment strategy or related transaction is appropriate for you according to your personal investment objectives, financial circumstances and risk tolerance, and you shall be solely responsible for any loss or liability therefrom. You should consult legal or tax professionals regarding your specific situation. Binance does not recommend that any Digital Asset should be bought, earned, sold, or held by you. Before making the decision to buy, sell or hold any Digital Asset, you should conduct your own due diligence and consult your financial advisors prior to making any investment decision. X. Resolving Disputes: Forum, Arbitration, Class Action Waiver

PLEASE READ THIS SECTION CAREFULLY, AS IT INVOLVES A WAIVER OF CERTAIN RIGHTS TO BRING LEGAL PROCEEDINGS, INCLUDING AS A CLASS ACTION.

1. Notice of Claim and Dispute Resolution Period. Please contact Binance first! Binance wants to address your concerns without resorting to formal legal proceedings, if possible. If you have a dispute with Binance, then you should contact Binance and a ticket number will be assigned. Binance will attempt to resolve your dispute internally as soon as possible. The parties agree to negotiate in good faith to resolve the dispute (which discussions shall remain confidential and be subject to applicable rules protecting settlement discussions from use as evidence in any legal proceeding).

In the event the dispute cannot be resolved satisfactorily, and you wish to assert a legal claim against Binance, then you agree to set forth the basis of such claim in writing in a "Notice of

<https://www.binance.com/en/terms>

Claim,” as a form of prior notice to Binance. The Notice of Claim must (1) describe the nature and basis of the claim or dispute, (2) set forth the specific relief sought, (3) provide the original ticket number, and (4) include your Binance account email. The Notice of Claim should be submitted to an email address or hyperlink provided in your correspondence with Binance. After you have provided the Notice of Claim to Binance, the dispute referenced in the Notice of Claim may be submitted by either Binance or you to arbitration in accordance with paragraph 2 of this Section, below. For the avoidance of doubt, the submission of a dispute to Binance for resolution internally and the delivery of a Notice of Claim to Binance are prerequisites to commencement of an arbitration proceeding (or any other legal proceeding). During the arbitration, the amount of any settlement offer made by you or Binance shall not be disclosed to the arbitrator.

2. Agreement to Arbitrate and Governing Law. You and Binance Operators agree that, subject to paragraph 1 above, any dispute, claim, or controversy between you and Binance (and/or Binance Operators) arising in connection with or relating in any way to these Terms or to your relationship with Binance (and/or Binance Operators) as a user of Binance Services (whether based in contract, tort, statute, fraud, misrepresentation, or any other legal theory, and whether the claims arise during or after the termination of these Terms) will be determined by mandatory final and binding individual (not class) arbitration, except as set forth below under Exceptions to Agreement to Arbitrate. You and Binance Operators further agree that the arbitrator shall have the exclusive power to rule on his or her own jurisdiction, including without limitation any objections with respect to the existence, scope or validity of the Agreement to Arbitrate, or to the arbitrability of any claim or counterclaim. Arbitration is more informal than a lawsuit in court. THERE IS NO JUDGE OR JURY IN ARBITRATION, AND COURT REVIEW OF AN ARBITRATION AWARD IS LIMITED. There may be more limited discovery than in court. The arbitrator must follow this agreement and can award the same damages and relief as a court (including, if applicable, attorney fees), except that the arbitrator may not award declaratory or injunctive relief in favour of anyone but the parties to the arbitration. The arbitration provisions set forth in this Section will survive termination of these Terms.

Arbitration Rules. The arbitration shall be subject to the HKIAC Administered Arbitration Rules (HKIAC. Rules) in force when the Notice of Arbitration is submitted, as modified by this Section X. The arbitration will be administered by the Hong Kong International Arbitration Centre (HKIAC). Unless the parties agree otherwise, there shall be only one arbitrator appointed in accordance with the HKIAC Rules. Any arbitration will be conducted in the English language. Regardless of the manner in which the arbitration is conducted, the arbitrator shall issue a reasoned written decision sufficient to explain the essential findings and conclusions on which the decision and award, if any, are based. JUDGMENT ON ANY ARBITRAL AWARD MAY BE GIVEN IN ANY COURT HAVING JURISDICTION OVER THE PARTY (OR OVER THE ASSETS OF THE PARTY) AGAINST WHOM SUCH AN AWARD IS RENDERED. Time for Filing: ANY ARBITRATION AGAINST BINANCE OPERATORS MUST BE COMMENCED BY FILING A REQUEST FOR ARBITRATION WITHIN ONE (1) YEAR, AFTER THE DATE THE PARTY ASSERTING THE CLAIM FIRST KNOWS OR REASONABLY SHOULD KNOW OF THE ACT, OMISSION OR DEFAULT GIVING RISE TO THE CLAIM; AND THERE SHALL BE NO RIGHT TO ANY REMEDY FOR ANY CLAIM NOT ASSERTED WITHIN THAT TIME PERIOD. THIS ONE YEAR LIMITATION PERIOD IS INCLUSIVE OF THE INTERNAL DISPUTE RESOLUTION PROCEDURE SET FORTH IN PARAGRAPH 1 OF THIS SECTION,

<https://www.binance.com/en/terms>

ABOVE. THERE SHALL BE NO RIGHT TO ANY REMEDY FOR ANY CLAIM NOT ASSERTED WITHIN THAT TIME PERIOD. If applicable law prohibits a one-year limitation period for asserting claims, any claim must be asserted within the shortest time period permitted by applicable law. Process; Notice: The party who intends to seek arbitration after the expiration of the Dispute Resolution Period set forth in paragraph 1, above, must submit a request to the HKIAC in accordance with the HKIAC Rules. If we request arbitration against you, we will give you notice at the email address or mailing address you have provided. You agree that any notice sent to this email or mailing address shall be deemed effective for all purposes, including without limitation to determinations of adequacy of service. It is your obligation to ensure that the email address and/or mailing address on file with Binance is up-to-date and accurate. Seat of Arbitration: The seat of the arbitration shall be Hong Kong. Place of Hearing: The location of any in-person arbitration hearing shall be Hong Kong, unless otherwise agreed to by the parties. Governing Law: These Terms (including this arbitration agreement) shall be governed by, and construed in accordance with, the laws of Hong Kong. Confidentiality. The parties agree that the arbitration shall be kept confidential. The existence of the arbitration, any nonpublic information provided in the arbitration, and any submissions, orders or awards made in the arbitration (together, the "Confidential Information") shall not be disclosed to any non-party except the tribunal, the HKIAC, the parties, their counsel, experts, witnesses, accountants and auditors, insurers and reinsurers, and any other person necessary to the conduct of the arbitration. Notwithstanding the foregoing, a party may disclose Confidential Information to the extent that disclosure may be required to fulfill a legal duty, protect or pursue a legal right, or enforce or challenge an award in bona fide legal proceedings. This confidentiality provision shall survive termination of these Terms and of any arbitration brought pursuant to these Terms.

3. Class Action Waiver. You and Binance agree that any claims relating to these Terms or to your relationship with Binance as a user of Binance Services (whether based in contract, tort, statute, fraud, misrepresentation, or any other legal theory, and whether the claims arise during or after the termination of these Terms) shall be brought against the other party in an arbitration on an individual basis only and not as a plaintiff or class member in a purported class or representative action. You and Binance further agree to waive any right for such claims to be brought, heard, or arbitrated as a class, collective, representative, or private attorney general action, to the extent permissible by applicable law. Combining or consolidating individual arbitrations into a single arbitration is not permitted without the consent of all parties, including Binance.

4. Modifications. Binance reserves the right to update, modify, revise, suspend, or make any future changes to Section X regarding the parties' Agreement to Arbitrate, subject to applicable law. You hereby consent and agree that it is your responsibility to ensure that your understanding of this Section is up to date. Subject to the applicable law, your continued use of your Binance account shall be deemed to be your acceptance of any modifications to Section X regarding the parties' Agreement to Arbitrate. You agree that if you object to the modifications to Section X, Binance may block access to your account pending closure of your account. In such circumstances, the Terms of Use prior to modification shall remain in full force and effect pending closure of your account.

5. Severability. If any portion of these Terms are adjudged to be invalid or unenforceable for any reason or to any extent, the remainder of these Terms will remain valid and enforceable

<https://www.binance.com/en/terms>

and the invalid or unenforceable portion will be given effect to the greatest extent permitted by law. pending closure of your account.

XI. Miscellaneous

1. Independent Parties. Binance is an independent contractor but not an agent of you in the performance of these Terms. These Terms shall not be interpreted as facts or evidence of an association, joint venture, partnership, or franchise between the parties.

2. Entire Agreement. These Terms constitute the entire agreement between the parties regarding use of Binance Services and will supersede all prior written or oral agreements between the parties. No usage of trade or other regular practice or method of dealing between the parties will be used to modify, interpret, supplement, or alter the terms herein.

3. Interpretation and Revision. Binance reserves the right to alter, revise, modify, and/or change these Terms at any time. All changes will take effect immediately upon being published on Binance websites. It is your responsibility to regularly check relevant pages on our websites/applications to confirm the latest version of these Terms. If you do not agree to any such modifications, your only remedy is to terminate your usage of Binance Services and cancel your account. You agree that, unless otherwise expressly provided in these Terms, Binance will not be responsible for any modification or termination of Binance Services by you or any third party, or suspension or termination of your access to Binance Services.

4. Force Majeure. Binance will not be liable for any delay or failure to perform as required by these Terms because of any cause or condition beyond Binance's reasonable control.

5. Severability. If any portion of these Terms is held invalid or unenforceable, such invalidity or enforceability will not affect the other provisions of these Terms, which will remain in full force and effect, and the invalid or unenforceable portion will be given effect to the greatest extent possible.

6. Assignment. You may not assign or transfer any right to use Binance Services or any of your rights or obligations under these Terms without prior written consent from Binance, including any right or obligation related to the enforcement of laws or the change of control. Binance may assign or transfer any or all of its rights or obligations under these Terms, in whole or in part, without notice or obtaining your consent or approval.

7. Waiver. The failure of one party to require performance of any provision will not affect that party's right to require performance at any time thereafter. At the same time, the waiver of one party to seek recovery for the other party's violation of these Terms or any provision of applicable terms shall not constitute a waiver by that party of any subsequent breach or violation by the other party or of the provision itself.

8. Third-Party Website Disclaimer. Any links to third-party websites from Binance Services does not imply endorsement by Binance of any product, service, information or disclaimer presented therein, nor does Binance guarantee the accuracy of the information contained on them. If you suffer loss from using such third-party product and service, Binance will not be liable for such loss. In addition, since Binance has no control over the terms of use or privacy policies of third-party websites, you should read and understand those policies carefully.

9. Matters Related to Apple Inc. If you use any device manufactured by Apple Inc. to participate in any commercial activities or reward programs through Binance Services, such

<https://www.binance.com/en/terms>

activities and programs are provided by Binance and are not associated with Apple Inc. in any manner.

10. Contact Information. For more information on Binance, you may refer to the company and license information found on Binance websites.
